

# Digestive Diseases Research Seminar Series

*Presented by*

**Yale School of Medicine, Department of Internal Medicine, Section of Digestive Diseases**

## AASLD Liver Meeting 2017 Presentation Rehearsals

**Xinshou Ouyang**

Oral digoxin therapeutically inhibits liver injury in a high fat model of NASH (*poster*)

**Supriya Kulkarni**

Deficiency of bile acid transporter  $Osta$  alters plasma oxysterol mediated  $Lxr\alpha/\beta$  signaling and lipid accumulation in mouse adipose (*oral*)

**Chao Dong**

The mechanism of splenic fibrosis in portal hypertension: The role of miR133 and connective tissue growth factor (CTGF) (*oral*)

**Lamia Haque**

Substance use treatment among veterans with liver disease and substance use disorders in the Veterans Health Administration (*poster*)

**Tanaporn Khamphaya**

Non-alcoholic fatty liver disease impairs expression of the type II inositol 1,4,5-trisphosphate receptor (*poster*)

**Guadalupe Garcia-Tsao**

Effect of hepatic venous pressure gradient (HVPG) changes on cirrhosis decompensation in patients with clinically-significant portal hypertension (CSPH) (*poster*)

**Adelina Hung**

Acute kidney injury, but not sepsis, is associated with higher procedure-related bleeding in hospitalized patients with decompensated cirrhosis (*poster*)

**October 17, 2017**

**TAC S-247**

**5:00 pm – 7:00 pm**

***There is no corporate support for this activity.***

This course will fulfill the licensure requirement set forth by the State of Connecticut.

### **ACCREDITATION**

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### **TARGET AUDIENCE**

Yale Medical School Faculty, Fellows, & Staff; Local GI Physicians

### **NEEDS ASSESSMENT**

This seminar helps the Yale Digestive Disease faculty and staff rehearse and be better prepared for the posters and talks that they will be presenting at the AASLD Liver Meeting 2017, where they will be representing Yale University. This also helps to educate those not presenting, as they have a chance to learn about the material being presented, and learn ways to prepare presentations for themselves.

### **LEARNING OBJECTIVES**

At the conclusion of this activity, participants will be able to:

- To allow those presenting at the AASLD Liver Meeting to rehearse their presentations and get valuable feedback from other faculty and fellows to help improve their presentations.
- To allow faculty and fellows that are not presenting to learn more about the materials being presented at the Liver Meeting, and to obtain helpful tips that will assist them in preparing their own presentations in the future.
- To better prepare presenters that will be representing Yale Univ so that they will make a good impression on others attending the Liver Meeting.

### **DESIGNATION STATEMENT**

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

### **FACULTY DISCLOSURES**

C Dong - None  
A Hung - None  
G Garcia-Tsao - None  
T Khamphaya - None  
S Kulkarni - None  
L Haque - None  
X Ouyang - Ilfemax (speaker)

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
