

# YSM Clinical Research Quarterly Winter 2017 Event Sponsored by YCCI

Among the topics to be covered include:

- Integration of translational resources with basic research activities – coordination and timing for commercialization through partnerships
- Identifying and overcoming barriers to engaging a commercial partner to mature early stage discoveries; what constitutes risk?
- Case studies: time, effort, and treasure required to engage commercial partners.

To register, visit: [www.yale.edu/training](http://www.yale.edu/training);  
browse courses by course owner; then  
select CTSA/YCCI; select Clinical Trials
