

## Center for Community Engagement & Health Equity (CEHE) Seminar Series

Sharing methods and procedures for incorporating catchment area perspectives and voices into Yale's cancer research and science.

### Catchment Area Cancer Data and Cancer Disparities

Tuesday, April 1 from 9:00am - 10:00am

BCMM 206/208

RSVP: <https://bit.ly/3Fw9ZuA>

#### **Sakinah Carter Suttiratana, PhD, MPH, MBA**

Co-Director, Center for Community Engagement and Health Equity (CEHE)

This seminar series introduces core principles of community engaged research relevant to cancer prevention, detection, treatment, or care using case examples from Yale Cancer Center and elsewhere. CEHE faculty will also answer questions about community engaged research efforts.

For questions, please contact [cehe@yale.edu](mailto:cehe@yale.edu)

#### **Future Seminar Topics**

**May 6, 9-10am:**

Community Engaged Research: Research Dissemination & Measuring Impact
