

4th and 5th year Medical Students International Clinical Electives

*****Application due by midnight March 1, 2015*****

The Office of International Medical Student Education (OIMSE) is now accepting applications for international electives for the 2015-2016 academic year. Sites supported by OIMSE are located in:

Latin America and the Caribbean

Argentina – Córdoba and Buenos Aires
Chile - Santiago
Colombia – Bogotá
Dominican Republic – Santo Domingo
Jamaica – Mona
México - Mérida or Guadalajara
Perú – Lima

Africa

Ghana
South Africa – Tugela Ferry
Uganda – Mulago Republic

Asia

China – Changsha
Indonesia – Borneo
Thailand – Mettapracharak

Interviews will be scheduled throughout the month of April with our site directors and OIMSE staff. Decisions will be announced by late May.

OIMSE provides support through the generous gifts of YSM alumni and a grant from the Gilead Foundation. Funds help to defray the cost of students' international travel, housing, visas and travel meds.

For more information on the specific sites, please visit us at

<http://medicine.yale.edu/globalhealth/yale/international-experiences/clinicalopportunities/index.aspx>.

To apply, please follow this link to the **grants database** to complete the on-line application

<https://yale.communityforce.com/Funds/Search.aspx>; please enter **"Clinical"** in the search by **keyword field** to pull up the "International Clinical Elective Travel Fellowship" application.

Please complete all components of the application by midnight March 1, 2015

Questions e-mail Anne Kellett at anne.kellett@yale.edu or Nickia Corley at nickia.corley@yale.edu.
