

Urology Grand Rounds

Presented by

Yale School of Medicine, Department of Urology

“Active Surveillance for Prostate Cancer: Updates and Evidence from Observational Research”

Michael Leapman, MD

Assistant Professor of Urology

Date: Friday, May 1, 2020 7:30-8:30am

Location: Zoom Web Conference <https://zoom.us/j/97302859776>

Course Director/Host: Daniel Kellner, MD

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Understand current guidelines for active surveillance in prostate cancer
2. Understand trends in the use of new diagnostic technologies
3. Deeper understanding of observational research methods used to assess causal inference

DISCLOSURES

Michael Leapman: None

Daniel Kellner, MD, Course Director: None

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

NEEDS ASSESSMENT

Address current state of evidence for management of localized prostate cancer. Understand observational research methods to study trends and causal inference

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity. It is the policy of Yale School of

Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

TARGET AUDIENCE

The target audience are Urology attendings, residents, medical students and other healthcare providers
