

Yale SCHOOL OF PUBLIC HEALTH
Epidemiology of Microbial Diseases

EMD Special Seminar

Dr. Amadou Alpha Sall
Director, Institut Pasteur de Dakar
Senegal

**"From preparedness to the response to the COVID-19
pandemic in Africa: the example of Senegal"**

The pandemic of COVID 19 is one of the most important public events of the last 100 years. Africa has been one of the last continents affected and went from preparedness to active in response to the pandemic. In this seminar, the example of Senegal will be presented and discussed to provide an African perspective.

8:30 AM Thursday, April 16, 2020

Host: A. Bei
