

RESISTANCE & RESILIENCE: RESPONSES TO THE CLIMATE CRISIS FROM CUBA & PUERTO RICO

SESSION 1: EXPLORING RESILIENCE

Cuba and Puerto Rico are acutely feeling the impacts of the climate crisis and are responding in a diversity of ways. In this inaugural panel, we will explore what resilience means with perspectives from the islands and the diaspora:

- Arturo Massol-Deyá, *Casa Pueblo, Puerto Rico*
- Roberto Pérez Rivero, *Fundación Antonio Núñez Jiménez, Cuba*
- Leidy Casimiro, *Universidad de Santi Spíritus & Finca del Medio, Cuba*
- Cecilio Ortiz García, *Macalester College & RISE Network, Puerto Rico*
- Bruni Pizarro, *Junta for Progressive Action, United States*

Moderated by Reinaldo Funes Monzote, *Fundación Antonio Núñez Jiménez & Universidad de La Habana*

Interpreted in English y Español

**Join us for the first session of
this virtual conference series.**
