

Considerations for Patients with Brain Tumors and their Loved Ones During the COVID-19 Pandemic

A Digital Forum for Hope and Support

April 28, 2020 | 3:00-4:00pm

Please join Christopher Cusano, Executive Director of the CT Brain Tumor Alliance, Inc. and Dr. Jennifer Moliterno, Chief of Neurosurgical Oncology and Co-Director of the Yale Brain Tumor Center at Smilow Cancer Hospital to address your questions and concerns about living with or caring for a loved one with a brain tumor diagnosis during the COVID-19 pandemic.

Whether you or a loved one are newly diagnosed, currently undergoing treatment or a survivor, we understand you all likely have concerns and we hope to address them during this informative session.

Join us live on **April 28th at 3:00pm** via Zoom:

<https://us02web.zoom.us/meeting/register/tZltf-utpjwsE9Rp33pVCBmeMI9S1dP-L8H2>

After registering, you will receive a confirmation email containing information about joining the meeting.

Please RSVP via the link above and email your questions to chris@ctbta.org by April 27th by 5pm.

We look forward to you joining us during these unprecedented times.
