

Genetics Clinical Grand Rounds

Presented by
Department of Genetics
Yale School of Medicine

“Adverse Events in Genetic Testing”

Samantha Wesoly, MS, LCGC

Date: December 1, 2020 10:15am
via Zoom

[Zoom Link](#) – passcode: 781657

Course Director/Host: Dr. Rama Kastury, DO

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Attending physicians, clinical and basic scientists, nurses, residents, fellows, medical students, and other health care providers.

NEEDS ASSESSMENT

The complexity of genetic testing and counseling has grown exponentially with the advent of large scale genomic testing that include rare genes and the potential for variants of uncertain significance. Genetics healthcare providers are best equipped to handle these nuances, but how can we prevent future misinterpretation of genetic variants? Whose responsibility should this be?

LEARNING OBJECTIVES

1. Present recent clinical case in my own practice
2. Review recent literature published surrounding misinterpretation of genomic data
3. Evaluate and discuss options for reducing these errors in the future

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Samantha Wesoly, MS, LCGC - none
Dr. Rama Kastury, DO - none

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
