

*Yale School of Medicine  
Seminars in Human and Translational Immunology*

***“Bridging innate and adaptive T cell  
immunity through complement”***

***Peter S. Heeger, M.D.***

***Professor of Medicine - Mount Sinai School of Medicine***

***Director of Transplant Research-Recenati Miller Transplant Institute***

**Host: Dr. Jordan S. Pober**

**May 28, 2013 @ 4 p.m.**

**The Anlyan Center - TAC N203**

**ACCREDITATION**

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**NEEDS ASSESSMENT**

The HTI program at Yale University School of Medicine is a FOCIS (Federation of Clinical immunology Societies) Center of Excellence. The mission of the FCEs is to create an integrated community among immunologists in different departments and sections at individual medical schools, allowing for exchange of information and development of interdisciplinary collaborations

**LEARNING OBJECTIVES**

At the conclusion of this activity, participants will be able to:

- List 3 downstream signaling pathways for C3aR and C5aR on T cells and antigen presenting cells
- Describe the mechanism through which decay accelerating factor regulates T cell immunity
- List 3 distinct mechanisms through which complement impacts the immune response to a transplant

**DESIGNATION STATEMENT**

The Yale School of Medicine designates this educational activity for 1 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**FACULTY DISCLOSURES**

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

***This course will fulfill the licensure requirement set forth by the State of Connecticut***

***Non-M.D.s may receive Certificate of Attendance***

***This activity is not supported by any educational grants***

***HTI CME Coordinator – MaryLou Brancato – Marylou.brancato@yale.edu***
