

A PRESENTATION OF THE ECHORN/YALE-TCC ENVIRONMENT & HEALTH WEBINAR SERIES

Improving Climate Resilience: CARPHA and the OECS Regional Health Project

Presented by Dr. Joy St. John

Executive Director, Caribbean Public Health
Agency (CARPHA)

Dr. St. John, a national of Barbados, is a physician and leader with vast experience in global public health. Prior to her appointment at CARPHA, Dr. St. John held the position of Assistant Director-General at the World Health Organization (WHO), where her work included examining climate as a determinant of health. She also served as the Chief Medical Officer for Barbados, where she was responsible for the health of the country. Dr. St. John has specialized experience in policy formation, disaster preparedness, chronic disease program management, and partnership development.
