American Geriatrics Society Special Interest Group - Needs of Older Gay and Lesbian, Bisexual and Transgendered Persons

Geriatrics has not yet fully considered the needs of older gay and lesbian, bisexual and transgender persons. This interest group centers on a more formal analysis and observation of these needs. The SIG is open to all AGS participants who are dedicated to delineating these needs and advocating for older GLBT persons.

American Society on Aging LGBT Aging Issues Network

LAIN works to raise awareness about the concerns of LGBT elders and about the unique barriers they encounter in gaining access to housing, healthcare, long-term care and other needed services. LAIN seeks to foster professional development, multidisciplinary research and wide-ranging dialogue on LGBT issues in the field of aging through publications, conferences, and cosponsored events. LAIN welcomes the participation of all concerned individuals regardless of age, sexual orientation or gender identity.
