

Neuroscience Seminar Series

*Sponsored by: The Interdepartmental Neuroscience Program and
The Department of Neuroscience*

**“Making up your mind: the developmental genetic
trajectories resulting in the emergence of
GABAergic interneuron identities.”**

Monday

April 22, 2019

12:00 Noon

**The Anlyan Center (TAC N107)
300 Cedar Street**

Gordon Fishell, PhD

Professor of Neurobiology, Harvard Medical School

Host:

Michael Higley, MD, PhD

Daniel Barson (Student Host)
