

Special Neuroscience Seminar

Sponsored by: *The Department of Neuroscience*

“The multifaceted roles of TSC-mTOR signaling in neuronal development, function, and disease.”

Monday

December 9, 2019

12:00 PM – 1:00 PM

**Brady Auditorium - B131
(310 Cedar Street)**

Helen Bateup, PhD

Assistant Professor of Neurobiology

University of California, Berkeley

Host:

Michael Higley, MD, PhD
