Radiology & Biomedical Imaging Lecture Series

Presented by
Molecular Imaging Clinical and Translational Research Laboratory

“Molecular Imaging Therapy Dosimetry in the Era of Precision Medicine”

Adel Mustafa, PhD
Associate Professor of Radiology and Biomedical Imaging;
Director, Yale Diagnostic Medical Physics Residency Program, Radiology and Biomedical Imaging;
Chief of Diagnostic Radiology Physics, Radiology and Biomedical Imaging
Yale School of Medicine
New Haven, CT

Tuesday, September 15 2020
7:00pm
ZOOM Meeting ID: 961 8760 7184
Passcode: 595553

Course Director: T. Rob Goodman, MBBCh, MBA, BMSc

There is no corporate support for this activity
This course will fulfill the licensure requirement set forth by the State of Connecticut

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE
Physicians, Fellows, Residents and Medical Students

NEEDS ASSESSMENT
Molecular imaging therapy was historically delivered with empirical dosing which was not tailored to the individual patients. However, with advent of novel imaging and computational methods, it is expected that individual patient dosimetry will be routinely used in molecular imaging therapy in the near future. This approach is expected to improve the treatment efficacy and minimize side effects, complementing other efforts to implement precision medicine in oncology. Dr. Adel Mustafa will highlight the exciting new developments in molecular imaging dosimetry.

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:
- Knowledgeable about planning, performing and interpreting molecular imaging diagnostic procedures
- Knowledgeable about planning and performing molecular imaging therapeutic procedures
- Knowledgeable about newly-approved or investigational molecular imaging diagnostic and therapeutic agents

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
Speaker: Adel Mustafa, PhD- None relevant

Course Director:
T. Rob Goodman, MBbCh, MBA, BMSc - None relevant

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
