

Frances Padilla

Where is the Political Will for Achieving Universal Access to Quality and Affordable Health Care?

Monday, January 30th 5:00 to 6:30, LEPH 101
Dinner will be provided

Frances G. Padilla was appointed President of Universal Health Care Foundation of Connecticut in September 2012. Padilla serves on the Governor's Sustinet health reform board, on the board of the Governor's Health Care Cabinet and on the Steering Committee of the CT Health Care Innovation Model. She is a former member of the National Partnership for Action Region I Health Equity Council and a co-founder of the Progreso Latino Fund of the Community Foundation for Greater New Haven.

Padilla is a graduate of Wesleyan University and holds a Master's Degree in Public Administration from the Harvard Kennedy School of Government.
