“Race, Inequality and Health of Black Mothers and Babies”

Linda Villarosa
New York Times Magazine Contributing Writer

Wednesday, November 28, 2018, 12:00 p.m.
FITKIN AMPHITHEATRE

Host: Anna Reisman, MD

There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Medical Students
Residents and Fellows
Faculty Physicians
Allied Health Providers

NEEDS ASSESSMENT

This talk will examine why black mothers are 3 to 4 times more likely to die associated with pregnancy than white mothers and for every woman who dies, nearly 100 others almost die. What's more, black babies are more than twice as likely to die than white babies, a racial disparity wider than in 1850. And both of these racial gaps persist in college educated both mothers and even when prenatal care and health care access are the same.

LEARNING OBJECTIVES

At the end of this activity, participants will be able to:

1. This presentation will identify how health inequity and disparities affect people of color.
2. It will address and analyze health communication strategies and the ways in which journalism can address issues of inequality.
3. The presentation will also examine and evaluate diversity issues in medical education.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Linda Villarosa: None
Prina Weiss, MD, Grand Rounds Director: None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
