

DEPARTMENT OF PEDIATRICS

Dear Trainees:

We are excited to announce that the 2025 Yale Pediatrics Research Forum will take place on **Wednesday, May 14, 2025**, at the Anlyan Center (TAC) Lobby and Auditorium from 11:45am-4:30pm. We invite all trainees in the Department of Pediatrics (residents, fellows, postdoctoral fellows/associates, postgraduate associates/fellows, graduate students, and medical students) to submit abstracts of your scholarly work by **March 1, 2025 at 5 PM**, by emailing peds.research@yale.edu. Please see the [Guidelines and Instructions for Abstract Preparation](#) for specific information on how to formulate and submit your abstract(s) for review.

We strongly advise all trainees who received departmental funding for their research, including funds for presentations in conferences, as well as all graduating fellows, to submit an abstract! **New this year, awards will be given for the top scoring abstracts.**

We are also pleased to announce that the Keynote Speaker and Grover F. Powers, MD Lectureship for the Yale Pediatric Research Forum is Dr. Maria Trent, MD, MPH. Dr. Trent is Senior Associate Dean of Diversity and Inclusive Excellence; Director, Division of Adolescent/Young Adult Medicine; and Professor of Pediatrics, Nursing, and Bloomberg Professor of American Health, Johns Hopkins School of Medicine.

Objectives of the Pediatric Research Forum are:

- To foster intellectual curiosity and a spirit of inquiry among our trainees
- To provide an opportunity for trainees to present their scholarly projects
- To encourage research relationships and aid in career development
- To assist in the development of research and presentation skills

Please mark your calendars with the following dates and times and join us for what promises to be an exciting event!

March 1, 2025, at 5:00 PM: Deadline for trainees to submit their abstracts by emailing peds.research@yale.edu.
