An anatomical illustration of a human torso, showing the internal organs. The liver is highlighted in a vibrant red color, while the rest of the body is rendered in a semi-transparent, light blue/purple hue. The background features a network of branching lines, possibly representing blood vessels or a neural network.

YaleCME

CONTINUING MEDICAL EDUCATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Yale School of Medicine designates this live activity for a maximum of 1 AMA PRA Category Credit(s). Physicians should claim only the credit commensurate with the extent of their participation in the activity.
