ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE
Eye care professionals.

NEEDS ASSESSMENT
Understanding the relationship between genotype and phenotype in complex ocular diseases such as glaucoma. Understanding strengths and limitations of animal models in glaucoma research.

LEARNING OBJECTIVES
At the conclusion of the conference, meeting participants will be able to:
1. Identify key risk alleles for glaucoma identified in GWAS studies and their expression patterns within the eye
2. Compare aqueous outflow structures in humans with those of non-human primate, pig and mouse models

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
Speaker Tave van Zyl, MD – NONE
Course Director: Ron A. Adelman, MD, MPH, MBA – NONE

There is no corporate support for this activity.
This course will fulfill the licensure requirement set forth by the State of Connecticut.
