

Yale Liver Center Research Seminar

*Presented by Yale School of Medicine,
Department of Internal Medicine*

The evolving scenario of Gender-Specific Medicine and its impact on Hepatology

Giovannella Baggio, MD

President of the Italian Research Center
for Gender Health and Medicine and Emeritus Professor
University of Padova

Luca Fabris, MD, PhD

Associate Professor of Gastroenterology
Department of Molecular Medicine
University of Padova

Tuesday, December 6, 2022

1:00-2:00PM

Host: Mario Strazzabosco, MD, PhD

Virtual event

Meeting ID: 969 4370 2989

Passcode: 297188

To record your attendance to this activity, text the Activity Code (35292) to 203-442-9435.

There is no corporate support for this activity. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Target Audience:** YSM faculty, fellows, nurses, residents, medical students, staff, and other health care providers. **Designation Statement:** The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity. **Needs assessment:** NEED to understand the important gender difference present with respect to many common diseases, as exemplified by the diversity of symptoms, risk factors and epidemiology, clinical course, response to treatment, drug-related side effects, along with the diagnostic and prevention strategies. NEED to understand the relevance to apply a gender-based approach in clinical practice and research purposes. **Objectives:** 1. Demonstrate awareness that gender-specific medicine is the first step towards precision medicine. 2. Describe the importance of a gender perspective in hepatology. 3. Demonstrate awareness of future research opportunities taking a gender-based approach. **Faculty Disclosures:** Dr. BAGGIO and FABRIS for this educational activity, have no relevant financial relationship(s) with ineligible companies to disclose. M. Strazzabosco, planner for this educational event, is a consultant for Engitix., All of the relevant financial relationships listed for these individuals have been mitigated. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. **This course will fulfill the licensure requirement set forth by the State of Connecticut.**
