**“Confronting Clinical Challenges in Under-Resourced Settings”**

*There is no corporate support for this activity*

*Course Director/Host: Lubna Pal MD, MBBS, MRCOG, FRCOG*

**Thursday, November 17, 2016 - 4:00PM-5:15PM**

**Brady Auditorium, 310 Cedar St**

**LEARNING OBJECTIVES:**

At the conclusion of this talk, the attendees will be able to:

1. Understand the underlying factors that contribute to failures of the healthcare system in under-resourced settings
2. Understand the difficulty of providing medical care for women in Sub-saharan Africa
3. Review the significance of basic clinical skills in under-resourced and poor conditions

**NEEDS ASSESSMENT:**

Physicians working in under-resourced areas face complex constraints, often including lack of supplies and equipment, inadequately trained staff, and patients' inability to access health care facilities. This talk will offer insights into the clinical and systemic challenges unique to conflict and post-conflict areas such as Somalia. It also will describe on-the-ground responses to such challenges.

**TARGET AUDIENCE**

ObGyn attending physicians, housestaff/fellows, medical students, nurses, PA's, community Ob/Gyn's, residents, midwives, nurses and researchers.

**DESIGNATION STATEMENT**

Lubna Pal-None

Deqo Aden Mohamed -None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
