**“Challenge of Malaria Eradication:
From the Genes to the Globe”**

Wednesday, March 4th, 2020, 12:00 p.m.
FITKIN AMPHITHEATRE

There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Medical Students
Residents and Fellows
Faculty Physicians
Allied Health Providers

NEEDS ASSESSMENT

The lecture will focus on infectious diseases and global health using human malaria as the example. This will include an update on the current status of malaria elimination and eradication viewed from a WHO perspective. There will be a focus on the biological challenges to infectious disease eradication including drug resistance. It will include a discussion of new tools and strategies for prevention and treatment with a focus on the genomic approaches

LEARNING OBJECTIVES:

At the end of this activity, participants will be able to:

1. Understand the current status of malaria elimination and eradication efforts
2. Understand the biological challenges to infectious disease eradication
3. Introduce new tools and strategies to approach malaria eradication
4. Introduce the use of genomic tools to understand malaria biology and transmission

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Dyann Wirth, MD: Syros Pharmaceuticals, Inc., Zai Labs Limited, Forma Therapeutics Holdings, Inc, Quan Venture Partners II, LLC
Prina Weiss, MD, Grand Rounds Director: None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
