

Digestive Diseases Research Seminar
Presented by Yale School of Medicine,
Department of Internal Medicine, and Section of Digestive Diseases

2020 AASLD Liver Meeting Presentations

Tuesday, October 27, 2020

5:00 pm – 6:30 pm

<https://zoom.us/j/94813511602?pwd=TkRMRnlDaTNLaWE0dlVocXEzaWVTUT09>

Matthew McConnell, MD

"Single-cell analysis of platelet-interacting liver sinusoidal endothelial cells in vivo identifies platelets as a driver of endothelial dysfunction" (oral)

Matthew McConnell, MD

"Liver injury in COVID-19 is associated with endothelial-mediated hypercoagulability driven by IL-6 trans-signaling" (oral)

Catherine Mezzacappa, MD, MPH

"Liver transplant volume and payor distribution over time in the United States: Comparing states after the Affordable Care Act" (poster)

Guadalupe Garcia-Tsao, MD

"Statin use in hospitalized patients with advanced cirrhosis may be associated with poor outcomes" (poster)

Guadalupe Garcia-Tsao, MD

"Reduced clot stability by thromboelastography (TEG) is associated with procedure-related bleeding in decompensated cirrhosis" (poster)

Moderator: Yasuko Iwakiri, PhD

To record your attendance to this activity, text the Activity Code (20528) for your RSS activity to 203-442-9435. You will receive a message back that verifies your activity attendance has been recorded for CME credit.

There is no corporate support for this activity. Accreditation: The Yale School of Medicine (YSM) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Target Audience:** YSM faculty, fellows, APPs, residents, medical students, staff, and other health care providers. **Designation Statement:** The YSM designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity. **Needs assessment:** This seminar helps the Yale Digestive Diseases faculty and staff rehearse and be better prepared for the posters and talks that they will be presenting at the 2020 AASLD Liver Meeting, where they will be representing YSM. This also helps to educate those not presenting, as they have a chance to learn about the material being presented and learn ways to prepare presentations for themselves. **Objectives:** 1 To allow those presenting at the 2020 AASLD Liver Meeting to rehearse their presentations and get valuable feedback from other faculty and fellows to help improve their presentations; 2 To allow faculty and fellows that are not presenting to learn more about the materials being presented at the Liver Meeting, and to obtain helpful tips that will assist them in preparing their own presentations in the future; 3 To better prepare presenters that will be representing YSM so that they will make a good impression on others attending the Liver Meeting. **Faculty Disclosures:** McConnell – None; Garcia – None; Mezzacappa – None. It is the policy of YSM, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. **This course will fulfill the licensure requirement set forth by the State of Connecticut.**
