# Smilow Breast Cancer Multispecialty Care

Our specialists in breast cancer care at the Smilow Cancer Hospital Care Centers in North Haven and Hamden bring together a team of clinicians whose focus is to care for patients with breast cancer. Expertise in medical, surgical, and radiation oncology, along with reconstructive surgery, patient navigation, and supportive care services is available for patients. Dr. Jane Kanowitz, an oncologist for over 25 years, is committed to personalized care and is praised by her patients for her warmth, concern, and humor. She is joined by fellowship trained breast surgical oncologist, Dr. Elizabeth Berger, and Dr. Christin Knowlton, who provides expertise in breast cancer radiation oncology and high-quality patient centered care in Hamden. Clinical trials are available to patients through Yale Cancer Center, Connecticut's only National Cancer Institute-designated comprehensive cancer center. Together, they ensure all patients are provided with exceptional care from an experienced team.
