Course Director/Host: Ethan Marin, M.D., Ph.D.

There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut.

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Attending physicians, House staff, Fellows, Medical Students, Nurses, PA's

NEEDS ASSESSMENT

This seminar is aimed at updating nephrologists from the developed countries about the challenges in the diagnosis and management of chronic kidney diseases in resource limited settings. It will cover some of the current studies that have been undertaken to address the challenges and share opportunities available for nephrology Global Health Experience.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

Appreciate the current burden of kidney disease is sub-Saharan Africa (Uganda).

Learn about the care and management of kidney diseases in resource limited settings.

Learn about the nephrology global health program for nephrologists.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Robert Kalyesbula, M.D. – None

Ethan Marin, M.D., Ph.D. – None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
