“GLOMERULAR APPARATUS AND UNDERSTANDING THE REGULATION OF GFR AND THE FILTRATION BARRIER”

Shuta Ishibe, MD
Associate Professor of Medicine (Nephrology)

Friday, July 26, 2019
12:00 PM – 1:00 PM
The Anlyan Center – TAC N203

Course Director/Host: Ethan Marin, M.D., Ph.D.

There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut.

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE
Attending physicians, House staff, Fellows, medical Students, Nurses, PAS

NEEDS ASSESSMENT
Understanding the components of the glomerular filtration barrier and how insults to this barrier can result in decline in kidney function.

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:

Understand the components of the glomerular filtration barrier.
Understand how glomerular filtration rate is regulated.
Understand how defects in the barrier result in proteinuria.

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
Shuta Ishibe, M.D. – None
Ethan Marin, M.D., Ph.D. – None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
