Irving B. Harris Professor
Director - Child Study Center
Yale University School of Medicine
Chief of Child Psychiatry Yale New Haven Hospital

“The Changing Face of Autism”

Tuesday, January 8, 2013, 1:00 p.m.

Donald J. Cohen Auditorium, Room E02

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Summarize changes in outcome over time
2. Understand at least 3 possible reasons for improved outcome
3. Understand that some children, even with good treatments, don't get better!

NEEDS ASSESSMENT

This presentation will summarize changes in outcome in autism and related disorders over the last 30 years. Factors involved in improved outcome will be discussed as will be new opportunities for research with this population

FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

CME CREDIT

The Yale School of Medicine designates this educational activity for *1 AMA PRA Category 1 Credit(s)*. Physicians should only claim credit commensurate with the extent of their participation in the activity
