

Yale Center for Immuno-Oncology *Symposium*

Thursday, October 4, 2018

Harkness Auditorium
333 Cedar Street, New Haven, CT
9:00am - 4:00pm

More Information and Registration:
yalecancercenter.org/immuno-oncology

Symposium Co-Chairs:
Roy S. Herbst, MD, PhD and Nikhil Joshi, PhD
Full Agenda to be Announced.

The Yale Center for Immuno-Oncology builds on Yale Cancer Center and Smilow Cancer Hospital's international leadership in immunobiology, cancer immunology, and the development of novel cancer immunotherapies to effectively broaden our translational research infrastructure.

Please join us for a day-long Symposium featuring leaders in immunology from around the country for presentations, discussion, and networking.
